Safety shield guard for counter/desktop

Above & left: 30" w x 30" h - w/4" gap

Keep communications flowing and relieve safety concerns and anxiety by protecting your employees and customers from surprise sneezes and coughs. Our Safety Shield provides a clear barrier in an attractive frame to fit most environments.

Designed for desk & countertops, the metal frame securely holds rigid, clear acrylic with rounded corners for additional safety. Steel base with rubber pads prevent sliding. Pre-drilled holes for optional mounting, hardware included. The powder-coated finish in neutral silver-coated frame easily fits any décor. Adjustable too - allows for adjustment of acrylic 4" or 8" from the bottom to finetune your application.

### Select from 4 acrylic sizes:

- 24w x 24h"
- 24w x 30h"
- 36w x 24h"
- 30w x 30h"

Ships KD; minimal assembly required. Made in the USA.

Optional acrylic pocket puts hand sanitizer (7.5 oz size) readily available. Pocket attaches with adhesive or double-faced tape. Pocket may be positioned on Safety Shield or used independently.
