

GermGuard

Creating a safe and sanitary barrier for your customers and employees

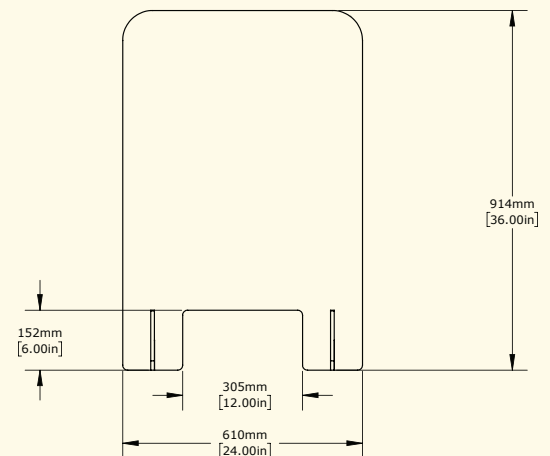

Our Free-Standing Protective Shield helps to separate your staff and customers with a simple and effective divider. Perfect for those situations where maintaining a minimum distance between people is not possible.

Easy Set Up No tools needed, No hardware, the Free-Standing GermGuard simply slides together and can be set up by anyone in seconds.

Stay Healthy Helps to prevent the spread of contagious viruses and microbes.

Easy to Clean Easy to wipe down and sanitize with a plastic cleaner, or soap and water on both sides.

Modular Design Quick & easy to install, accommodates almost any space.
