

Radius Pass Thru Protective Panels

Creating a safe and sanitary barrier for your customers and employees

Our Free-Standing Protective Shield helps to separate your staff and customers with a simple and effective divider. Perfect for those situations where maintaining a minimum distance between people is not possible.

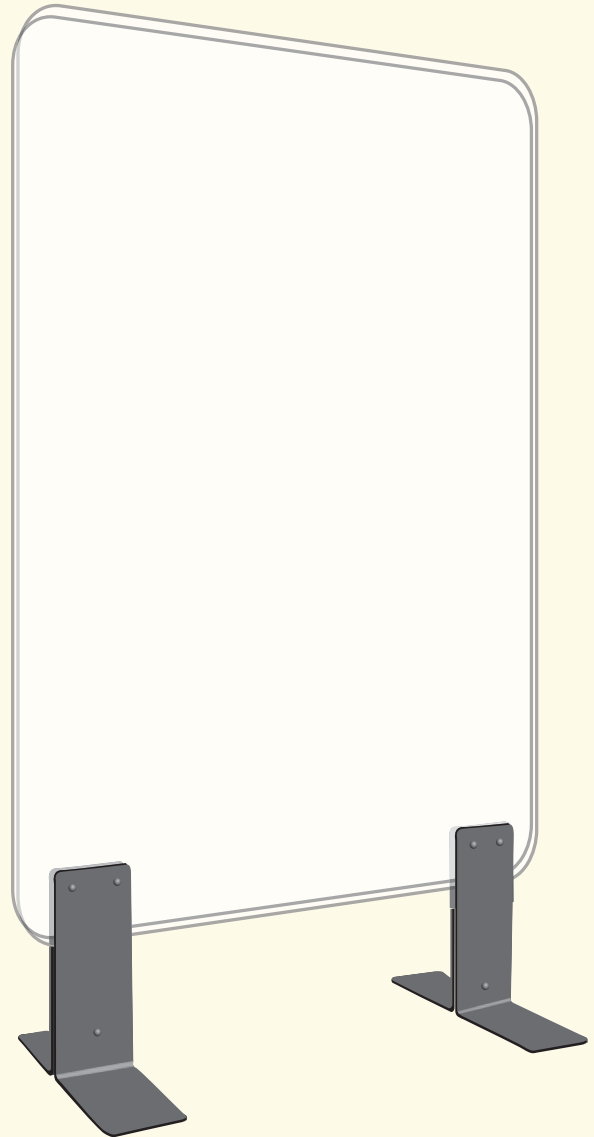

Be Safe Helps to prevent spread of germs and viruses.

Easy to Clean Easy to wipe down and sanitize with a plastic cleaner, or soap and water on both sides.

Modular Design Quick & easy to install, accommodates almost any space.

Safe-T-Shield Easy installation, Freestanding panel fits into slotted base
