

SOCIAL DISTANCING BARRIERS for countertops

Easy to assemble 1/4" thick acrylic barrier offers personal protection wherever human contact needs to be limited.

Designed to work great at the register or at a customer service station. Side wings easily dovetail into front screen and are secured with a small clip. Barriers attach to counter top with a suction cup or can be permanently screwed down.

Assembled unit measures 24"W x 17-1/2"L x 36"H.

Opening is 14"W x 11-1/4"H.
